

PARKSIDE PENTECOSTAL CHURCH is looking for a full-time lead pastor.

Located 75 minutes Northwest of Saskatoon, Parkside is nestled in the beautiful parklands of central Saskatchewan. The primary surrounding industry is agriculture, and as such, the ideal candidate must be comfortable in a rural setting and be passionate about not only pastoring the church but also the entire community.

Parkside Pentecostal Church has a great opportunity to become the central hub of the community as there are not many local amenities. As such, we seek a pastor that is willing to think creatively in leading the church to become a greater value to the community and region and help us connect and minister to the families that make Parkside home.

The church provides a good compensation package that includes a 4 bedroom parsonage with a large yard.

Requirements and Assets:

- **Godly character and integrity:**
 - It is easy to assume in smaller ministry contexts where there is very little oversight that no one is watching or that the small things don't matter. In fact, the opposite is true. Less oversight requires greater personal integrity. Whether handling finances, time, personal or professional relationships, we require that the successive pastor ascribe to the PAOC Ministerial Code of Ethics - https://paoc.org/docs/default-source/fellowship-services-documents/ministerial-code-of-ethics.pdf?sfvrsn=fa351d6a_0
- **Self-motivated**
 - This does not mean "do everything yourself," but as lead pastor you will need to find ways to stay engaged and seek out opportunities for ministry.
- **Empowering Leadership**
 - This can be challenging in smaller contexts where there are fewer volunteers. None-the-less, we are not seeking a pastor to "do everything for us," but a shepherd who will help us to reach our community for Jesus together.
- **Spiritually disciplined**
 - Prayer, fasting, worship, rest, reading, teaching... We are seeking a pastor who both models these disciplines and challenges us in them as well.

- **Competency in Pastoral Ministry**
 - Ministry is about people (connecting with people and ministering to them) but also involves activities such as preaching, organizing services (regular worship services, funerals, weddings, dedications, baptisms, etc), and other ministry programs as necessary (children's ministry, youth ministry, small groups, outreach). As such, the pastor should have good people and social skills as well as the ability to oversee and/or lead the ministries of the church.
- **Education & Credentials**
 - Highly recommended to have at minimum a Bachelor's degree from Bible College
 - Any applicant must have credentials with or be eligible to be credentialed with the Pentecostal Assemblies of Canada.
 - Personal and ministry references will be required.

To Apply:

All interested candidates can submit resumes to or seek more information from:
